Mapplethorpe

Debbie Harry, Brooke Shields, and Fran Lebowitz are among those taking an unflinching look at the life and work of New York's enfant terrible of photography, in this latest from master celeb documentarians Fenton Bailey and Randy Barbato (*The Eyes of Tammy Faye*, *Inside Deep Throat*). Coinciding with the International Day Against Homophobia, Transphobia, and Biphobia, the Vancouver Queer Film Festival brings *Mapplethorpe: Look at the Pictures* to the Vancity on Tuesday (May 17).
